Dear Justices Honorable Smith,

I am writing today to express my opposition to the proposed rule change 8.4(g).

To the Members of the Montana Supreme Court:

I oppose proposed Rule #8.4(g). Lawyers devote their professional time to protecting the legal Constitutional rights of their clients.

They should never have to doubt or defend their own protection under the same Constitutional Law and Justice that they defend for others.

We are all exposed to comments from those whom we do not agree with, but we do not deny their right to free speech or religious freedom. In fact, if anyone should be entitled to speak their minds, it should be the lawyers who do their best to uphold the freedom of speech for others.

Sincerely,

Lianna T. Karlin
